

Southport BPE

This British National exhibition closes on Saturday 19 January.

Acceptances count towards the BPEX* distinctions.

It has 3 Print sections (mounted 40 x 50): Colour, Mono and Nature.

Plus 3 PDI sections (up to 1600 x 1200), 2MB maximum: Colour, Mono and Nature.

As in all exhibitions/salons you can enter up to 4 images per section.

What could be easier? Plenty of advance notice for this one. Make it the New Year Resolution that you'll keep.

Cost is per image (£1.50 each, subject to a minimum of £8 for the first 4) which keeps it reasonable if you haven't got 4 images to fill a particular section.

Quirk alert: the filenames used should be of the form "n title.jpg" where "n" is the image number as appearing on the entry form and "title" is the image name as entered on the entry form.

Don't forget to read the rules.
Good luck.
