NWPA October Model Shoot

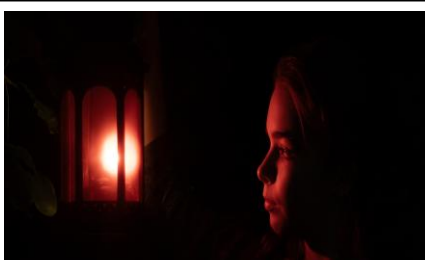

The second NWPA model shoot took place on Saturday 17th Oct at Bodlondeb in Conwy. The event was again oversubscribed, so names were drawn out of a hat to determine the final six attendees. We had been lucky with the weather on the September's shoot, so it seemed a bit risky to roll the dice again for later in the year. Thankfully, the rain held off again and the shoot was able to go ahead, but this time we had the opposite problem: the low autumn sun was so strong, our model Annie Williams had to be in the shade for the whole morning. A large tree provided enough shade for full length movement shots, and dark corners allowed us to use the flash to produce studio-like close up portraits.

Annie once again charmed everyone and proved to be the star of the show.

Taken together, the two outdoor events have raised £600 for the NWPA.

PAGB INTER-CLUB PRINT CHAMPIONSHIP

Last Saturday 24th October saw the Print Championship held at a new venue – The Harper Adams University in Newport Shrops. Forty-four clubs from all over the UK were competing, including Mold CC, Hawarden PS and the Eryri PG from N. Wales.

Each club entered 12 images in the first round. These were judged out of 15 by 3 judges. The top scoring 9 clubs went into the Final in the afternoon and the remaining 35 competed in the Plate Competition.

The 3 N.Wales clubs went into the Plate, entering 8 images each and the Plate was won jointly by Tynemouth PS and the Evolve Group.

The Final, after 15 prints, was won by Arden PG.

It was good to see so many people there, in spite of the bad weather.

Look out for the next PAGB e-news for more information.
