09 October 2026

The Officers of the NWPA announce that Jason Wharham has resigned from the role of General Secretary with immediate effect. (03/10/2026).

In accordance with NWPA Constitution and pragmatic governance the Officers are pleased to announce that Diana Wynn, has been coopted to serve as an interim General Secretary until the AGM December 6th 2026.

We welcome and thank Diana who brings a wealth of valuable experience to the role. Before moving to North Wales Diana served as secretary and treasurer in her local camera clubs in Devon as well as fulfilling the role as Secretary for the Western Counties Photographic Federation. Diana is currently serving as the Chair, NWPA Delegate and Competition Secretary of Coedpoeth & Minera CC.

Talking about her business and social career Diana comments

“Although very diverse, all my positions have been at management level, linked to some form of Administration, for which I hold a diploma in International Business Administration. I think it is my lifelong work in this field that has made it easy for me to be able to give back to the organizations with which I have enjoyed membership, something I feel is my duty if required. Currently I am working towards the first levels of BPE and FIAP, and will be trying for the BPAGB soon, having just missed out on CPAGB about 10 years ago.”

We thank Jason for his service and wish him well. The Association remains focused on its work and supports a smooth transition.

Charles Meadows
